

## 第六章 英文簡歷

My name is Chun-Wei Wu, this is my topics internship business case.

I live in Taoyuan, My hobbies are playing basketball and singing. And I' m studying at Ming Chuan University.

I am a hard working student especially in doing things in which I am interested. I will try my best to finish it no matter how difficult it is going to be. English is the international language, and I will continue to progress

My research focused on electronic engineering. After graduate I will go to work first, maybe few years later I will go to graduate school.

Thank you for watching.
